WILEY SCORES FOUR CONFERENCE VICTORIES.

Marshall, Texas, April 20.—Wiley University has played four games within the last two weeks with members of the Southern Athletic Conference and captured all of them. The first two were with the Texas College boys, Tyler, Texas. This team had been well trained and with a good pitching staff played better ball than the score would indicate. The first game was 9 to 0 in favor of Wiley and the second 12 to 11 in favor of Wiley. The next series was with Paul Quinn College, Waco, Texas. Under the leadership of Coach Long this team will be a real contender for championship honors another season. The first game was 11 to 3 in favor of Wiley and the second 9 to 3 in favor of Wiley. Wiley goes to Prairie View for two games the latter part of next week. The two teams have beaten all opponents thus far this season and a battle royal is expected when they meet. It is generally conceded that the way this Prairie View-Wiley series goes, that way the championship for this season will go.

PRAIRIE VIEW DEFEATS PAUL QUINN 7 TO 6.

Waco, Texas, April 20.—Prairie View defeated Paul Quinn here today by the score of 7 to 6. One of the largest crowds that ever witnessed a college base ball game in Waco was on hand to enjoy some great balling on the part of "Country" Williams and Watson, Prairie View Southpaw. Of the two, Watson probably had the edge, but the work of the P. V. C. hurler could hardly be better. Errors were frequent on both sides. Prairie View earning only one run, while the men from East Waco earned two.
